**Under the Stars on the New Stone Stage and Outdoor Amphitheatre
Abundance Ecovillage
(Corner of North B and 185th Street)**

Dave Moore has been a critic's favorite, slowly becoming an icon of American roots music and folk. Dave was a regular for many years with Greg Brown on A Prairie Home Companion, and has appeared on World Café, Live from Mountain Stage, All Things Considered, on many Greg Brown Albums, and at numerous festivals around the country.

Special thanks to Roger Gipple and the Agrestal Fund for sponsoring Dave Moore
